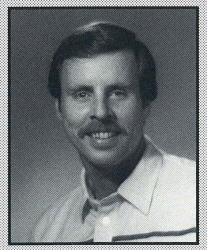
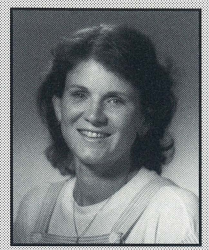
CENTENARY
CO-HEAD COACHES



BOB MOSS



WILLA MOSS

Bob and Willa Moss, a husband and wife team that originated the Little Rock Gymnastics Center back in 1976, are Co-Head Coaches of the Centenary Ladies. Both attended Southeastern Louisiana University starting in 1969.

Bob was a competitive trampolinist under previous Ladies Coach Vannie Edwards, earning a national championship in 1970, as well as a member of the All-America Trampoline team the following season.

Willa trained under Edwards in all-around competition, and in 1971 she became a judge of national meets.

In 1973, a year before they would be married, the Mosses went in different directions. Bob traveled with Edwards as his assistant to Southwest Junior College in Summit, Mississippi. Willa moved back home to New Jersey and taught in the public school system there until 1976. Once married the couple managed a gymnastics training club in New Jersey through that same year.

In the fall of 1976 the Mosses took their gymnastics talents and teaching abilities south to Little Rock, where they operated until their appointment at Centenary. At the Little Rock Gymnastics Center they taught 400 class students per year as well as 50 or so competitive gymnasts.

Three years after the duo arrived on the scene in Little Rock, they coached their first national gymnastics champion, Beth Pope. Since that first title captured by Pope, the Mosses have guided four other gymnasts to numerous other individual national championships.

The Mosses like the gymnastics climate and potential for growth in the Shreveport area. In fact, they recently constructed a gymnastics center (Shreveport Olympiad) in Shreveport.

Not that Vannie Edwards didn't help get the ball rolling. "Vannie was to women's gymnastics what Vince Lombardi was to football," said Bob Moss. "You really don't fill someones shoes like him, but you just do the best you can to make a good situation better."

In just three short years Bob and Willa did it. **The Ladies won the 1988 NAIA National Championship in Minot, N.D. - setting an all-time NAIA tournament scoring record (141.20 points) in the process, to beat runner-up Ft. Hays State. Four team members were named All-America.**
